

## OVERVIEW

It is once again our great pleasure to announce the commencement of "The 14<sup>th</sup> NUAA Summer Lecture Program".

NUAA's commitment towards the internationalization of its higher education has yet again given us this opportunity to invite and welcome Professors and Researchers from different regions and specialties to participate in this truly global academic event.

With over 600 academicians and 27,000 students taking part in the past few years, it is one of the significant events at NUAA providing our students a platform for internationalization beyond mobility.
